

getting started with the new web-based premium calculator

Simple, Affordable and Attainable — That's why your clients will want to hear about DInamic FundamentalSM Disability Income (DI) Insurance. Now you can show them what this means with our **new** premium calculator.

Step One:

Scan this QR Code –

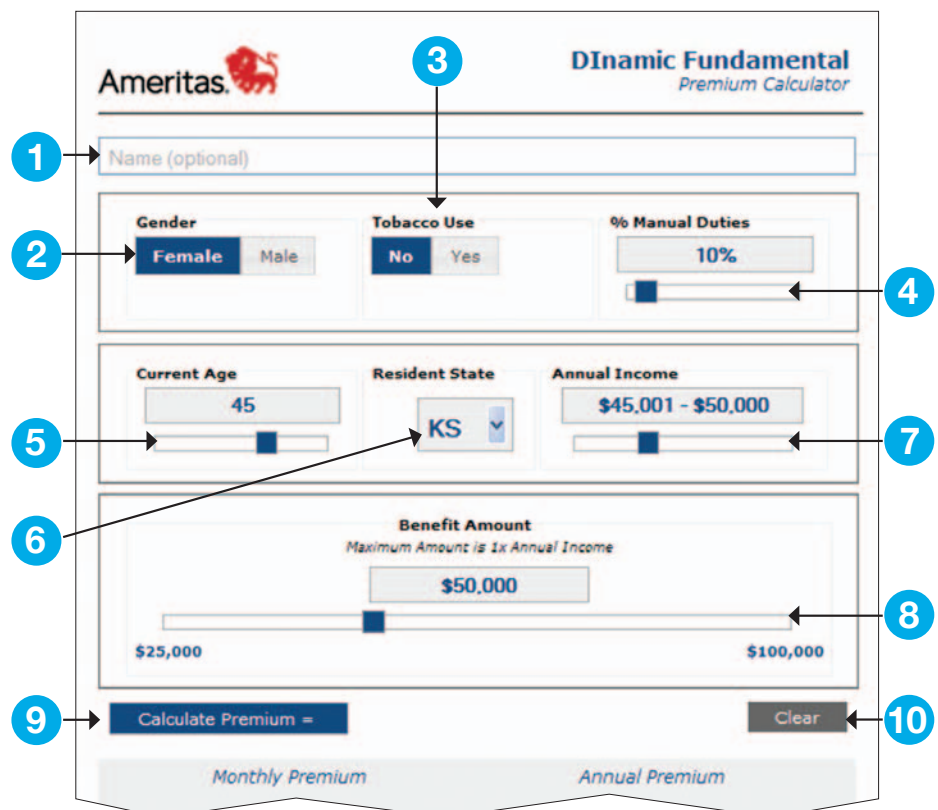

If you don't have a QR scanner on your device, you can download one by searching the appropriate app listing or you can access the premium calculator by visiting <http://www.ameritas.com/url/premiumCalculator/>.

Step Two:

Complete the required information:

1. Input the insured's name (optional).
2. Select the insured's gender.
3. Select the insured's tobacco use.
4. Scroll to select the insured's % of manual duties from the scroll bar, 0% to 100%.
5. Scroll to select the insured's current age from the scroll bar. The age range is 18 – 60.
6. Select the insured's resident state from the drop-down box.
7. Scroll to select the insured's annual income from the scroll bar. The range is \$18,000 to \$95,000+.

The screenshot shows the 'DInamic Fundamental Premium Calculator' interface. It features the Ameritas logo at the top left. The form is divided into several sections: 'Name (optional)' (1), 'Gender' (2) with 'Female' selected, 'Tobacco Use' (3) with 'No' selected, and '% Manual Duties' (4) with a slider at 10%. The next section includes 'Current Age' (5) with a slider at 45, 'Resident State' (6) with 'KS' selected, and 'Annual Income' (7) with a slider at '\$45,001 - \$50,000'. The 'Benefit Amount' (8) section shows a slider at '\$50,000' with a note 'Maximum Amount is 1x Annual Income'. At the bottom, there are 'Calculate Premium =' (9) and 'Clear' (10) buttons, and fields for 'Monthly Premium' and 'Annual Premium'.

8. The benefit amount will change when the annual income is selected. Either keep that amount, which is the maximum allowed for that income, or scroll to a lesser amount if needed. The minimum benefit amount is \$25,000 and the maximum benefit amount is \$100,000, not to exceed the annual earnings (rounded to the next highest \$5,000 increment).
9. Select the “Calculate Premium =” button to obtain the monthly and annual premium amounts.
10. Select the “Clear” button to reset all input values to the default.

After the resulting premium amount is calculated, you have the option to select the “Modify Values” button to make changes to the current input or the “Clear” button to reset all input values to the default.

Step Three:

Bookmark the DI Premium Calculator for future use

Depending on the browser or mobile device you’re using, bookmark the premium calculator as you would any other application for easy access.
